

Worksheet # 2
READING COMPREHENSION

Read the following story and answer the questions.

School Bus Driver

I go to school by school bus every day. The name of our driver is Jane. We call her Auntie Jane. She always picks students up on time.

Every time I get on the bus, she turns around and greets us with a smile. She never forgets to say good morning to the students. We feel very safe on the bus. Auntie Jane makes sure that every student sits down before she starts driving. She drives slowly. When we arrive at school, she asks the students to get off one by one.

Auntie gets upset if we don't behave well on the bus. If we are noisy, she waits until the bus stops for a red light signal, and says, 'I only drive good students to school.' Everyone keeps quiet. We like Auntie Jane very much and want to see her happy for every day!
